Posting Date: October 15, 2017
Closing Date: October 30, 2017
Start date: January 1, 2018 and end date: April 30, 2018
1 position/1 section available

The Department of Civil Engineering in the Faculty of Engineering and Applied Science at Queen’s University invites applications from suitably qualified candidates interested in teaching the following Graduate course in the 2017-18 session.

Qualifications: Minimum of an M.Sc. (or equivalent industry design experience) in Civil Engineering or a related field, expertise in the field relevant to the course, and appropriate teaching experience. Previous educational background and/or experience must be suited to teaching the course described below. Candidates must have excellent communication and presentation skills, as well as be capable of working as a member of a teaching team. Registration as a Professional Engineer, or eligibility to acquire registration in Canada, is an essential qualification. Prior teaching experience in project based engineering courses and lecture-based engineering courses would be an asset.

Teaching Requirement:

CIVL 897 Water Policy and Governance

This course investigates waters governance from the science, engineering and policy aspects found around the world. This course is designed to engage graduate students in discussions on a wide range of governance issues relating to water in a way that is relevant to their current field of study. Specific policies and governance that are relevant world-wide will be covered and include climate change, water quality, water supply, water and the environment and water and human health. This course, although placed in the Department of Civil Engineering, is designed for inclusion in the course offerings from departments across Queen’s University.

Definitions:
Program and Course Symbols and Codes can be found at: http://www.queensu.ca/sgs/graduate-calendar/courses-instruction/civil-engineering-courses

The above advertised course will be taught on campus. Enrolment is expected to be 10 students in CIVL 897. The successful applicant will have 100 percent responsibility for this section of the course. Winter term classes begin January 8, 2018 and end April 6, 2018 while the examination period ends on April 26, 2018.

The University invites applications from all qualified individuals. Queen’s is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal people, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority.
The academic staff at Queen's University are governed by the *Collective Agreement* between the Queen's University Faculty Association (QUFA) and the University, which is posted at: [http://www.queensu.ca/facultyrelations/faculty-librarians-and-archivists/queens-qufa-collective-agreement](http://www.queensu.ca/facultyrelations/faculty-librarians-and-archivists/queens-qufa-collective-agreement).

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/ permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: I am a Canadian citizen/permanent resident of Canada; OR, I am not a Canadian citizen/permanent resident of Canada. Applications that do not include this information will be deemed incomplete.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact Heather Hill [heather.hill@queensu.ca](mailto:heather.hill@queensu.ca); 613-533-6000 ex: 74228.

Applications should include a complete and current curriculum vitae, a statement of teaching experience, the names and contact details of two referees who may be contacted, and any other relevant materials the candidate wishes to submit for consideration. Applications can be submitted to the Civil Engineering Appointments Committee at the address below, or by e-mail to Heather Hill, [heather.hill@queensu.ca](mailto:heather.hill@queensu.ca).

Applications should arrive no later than **October 30, 2017**.
